

Supplementary Table 2. Recurrence patterns of patients with newly diagnosed GBM treated without BCNU wafer implantation when the ventricle was opened

Characteristic	No. BCNU implantation with VO (n=11)
Recurrence patterns	
No	2
Yes	9
Local	0
Diffuse	3
Multifocal	0
Distant	6
Median time to recurrence (days)	225

GBM : glioblastoma, BCNU : bis-chloroethyl-nitrosourea, VO : ventricular opening
